Re: Annual Scientific Meeting, Royal Australasian College of Surgeons, Kuala Lumpur 6-10th May 2012

The College of Surgeons is pleased to announce that it will sponsor 30 Malaysian surgeons to attend the above meeting. The criteria are:

1. Registered member of the College of Surgeons, Academy of Medicine Malaysia
2. Proof of submission of an abstract for the conference (abstract submission is open until 23rd Jan 2012). You have to submit your abstract direct to the RACS.

You can get the RACS programme on line at <http://asc.surgeons.org>. The cost for 4 days is AUD1350 (RM4197.98) and 2 days is AUD810 (RM2518.74) and the programme is arranged such that the subspecialties take only 2 days, so that if delegates are not interested or have no time for the full programme, they can opt for the 2 day registration. It is an excellent programme with speakers from all over the world and also from Malaysia.

The college is happy to subsidise RM2000 for each surgeon so that you will need to pay only RM500 extra for the 2 day programme, which is what a local conference for 2 days will cost.

There is no special application form. You just need to email your name and contact number, and the proof of submission of abstract. We will collect all the applications and those who get abstracts accepted will be given the sponsorship on a first come first served basis.

Please email to secretariat@csamm.asm.org.my.

Thank you.
